SUMMARY

Full Stack Developer skilled in the MERN stack with experience in building scalable and responsive web applications. Strong understanding of REST APIs, real-time communication (Socket.IO), and modern JavaScript (ES6+). Adept at delivering user-centric solutions and clean, maintainable code using Redux, Tailwind CSS, and Next.js.

SKILLS

- **Full Stack Development:** Proficient in MERN stack (MongoDB, Express.js, React.js, Node.js) and Next.js; experienced in building responsive and scalable web applications using React, Tailwind CSS, and JavaScript.
- **Programming Languages:** JavaScript, TypeScript, C++
- **Data Structures & Algorithms:** Currently learning DSA in C++; solving problems on LeetCode and GeeksforGeeks.
- **Database Management:** Proficient in MongoDB
- **Tools & Technologies:** Git, GitHub, Postman, VS Code, Vercel
- **Soft Skills:** Time Management, Problem-Solving, Leadership Skills

PROJECTS

- **BooksNest** (booksnests.vercel.app): Built BooksNest, a full-stack Library Management System using React, Node.js, Express, and MongoDB with features like user authentication, book management, borrowing system, queue system, fine system, admin dashboard, reviews, email notifications, and analytics. Used Redux Toolkit, Tailwind CSS, and integrated Cloudinary and Nodemailer.
- **NeoMart** (neomarts.vercel.app): Built NeoMart, a full-stack e-commerce app using React, Node.js, Express, and MongoDB with features like authentication, product management, cart, orders, and an admin dashboard. Integrated Razorpay, Cloudinary and used Redux and Tailwind CSS for responsive UI and state management.

EDUCATION

- **B.Tech in Computer Science and Engineering — PDM University, Haryana (2022–2026)**
Pursuing, currently in 7th semester
- **Senior Secondary Education**
Government Boys Sr. Sec. School, Delhi (2020–2022) • PCM
- **Secondary Education**
Akash Model Sr. Sec. School, Delhi (2020)

CERTIFICATIONS

- **Web Development Certificate — Sololearn:** Completed an online web development course covering HTML, CSS, JavaScript, and fundamentals of building responsive websites.
- **Virtual Internship Certificate — CodSoft:** Completed a virtual internship involving practical exposure to software development workflows and industry best practices.
